DOCKET NO. P-551/M-96-135

ERRATUM ORDER

On December 23, 1997, the Commission issued its ORDER DESIGNATING PETITIONERS AS ELIGIBLE TELECOMMUNICATIONS CARRIERS, ALLOWING ADDITIONAL TIME TO PROVIDE CERTAIN SERVICES, APPROVING RATE REDUCTION FOR QUALIFIED LOW INCOME CUSTOMERS, AND REQUIRING FILINGS in the above-referenced docket.

Exhibits 1-8 to that Order listed the local exchange carriers the Minnesota Public Utilities Commission designated as eligible telecommunications carriers, and the local exchange areas that constitute the carriers' respective individual service areas in Minnesota.

On page 4 of 8 in Exhibit 7, the Order listed Lakedale Telephone Company as an eligible telecommunications carrier and listed five exchanges--Annandale, Maple Lake, Montrose, Paynesville, and South Haven--as constituting Lakedale's individual service area in Minnesota. The Order should also have included the Waverly exchange as part of the Lakedale Telephone Company's individual service area in Minnesota.

The Commission hereby includes the Waverly exchange as part of Lakedale Telephone Company's individual service area in Minnesota.

The Order remains unchanged in every other respect.

BY ORDER OF THE COMMISSION
